ABOUT ME

Undergraduate student in Computer Science at the University of Naples Federico II. I combine a solid technical background and an excellent command of digital tools with strong interpersonal skills. I stand out for my strong empathy towards the public, excellent teamwork abilities, and deep dedication to my work. I am looking for a dynamic and stimulating environment where I can put my IT skills into practice, bringing added value through collaboration and problem-solving.

COMMUNICATION AND INTERPERSONAL SKILLS

Communication and Interpersonal Skills

Excellent communication and relational skills, combined with a strong aptitude for active listening, developed during my high school education. My one-year volunteer experience in direct contact with the public at the Civil Registry Office allowed me to interact daily with a wide and diverse demographic, enabling me to build significant self-confidence and empathy. Additionally, I possess strong resilience and an excellent capacity for interpersonal adaptability, gained through exposure to different cultural environments.

ORGANIZATIONAL SKILLS

Organizational Skills

Excellent work organization and time management skills, with a proven ability to strictly meet deadlines. I consolidated these abilities during my year volunteering at the Civil Registry Office, where I independently

managed user flow, appointments, and deadlines for bureaucratic procedures. I work effectively in a team, demonstrating strong operational flexibility and a distinct aptitude for planning and project management.

DIGITAL AND MANAGEMENT TOOLS

● Digital and Management Tools

Excellent command of main digital tools, with specific expertise in software used within the Public Administration. Specifically, I have acquired excellent proficiency in using the Halley management platform for processing demographic and Civil Registry records. I independently manage communications via Certified Email (PEC) and am highly familiar with Italian Digital Identity systems (SPID, CIE, CNS) for accessing and operating on institutional portals. My profile is completed by a solid knowledge of the Microsoft Office suite (Word, Excel) as well as main web browsing and email tools.

I hereby authorize the processing of my personal data contained in this CV in compliance with Art. 13 of Legislative Decree 196/2003 and Art. 13 of the GDPR (EU Regulation 2016/679) for the purposes of recruitment and selection.
